

## **2022 Summer Reading List- Entering 9th**

The purpose of the Eagle's View Academy summer reading program is to encourage students to read and appreciate classic and contemporary literary works. Please note that the requirements for titles and number of books vary from grade to grade and class to class. All the books are available in limited quantities from the Jacksonville Public Library and local bookstores. Online retailers offer the cheapest availability, but the order should be placed soon to allow time for students to read.

Students should read a book listed below and complete a chapter summary for each chapter in the book. The chapter summaries will be turned in to their Language or Literature teacher by Monday, August 15<sup>th</sup>. Parents, please encourage your students to read each day rather than waiting till the end of the summer. Please note that any student who registers after July 22<sup>nd</sup> will have a different date by which to turn in their chapter summaries.

**All students going into 9<sup>th</sup> grade must read one of the following:**

***The Magician's Nephew* by C. S. Lewis**

***Pilgrim's Progress* by John Bunyan**

***The Hunger Games* by Suzanne Collins**

***20,000 Leagues Under the Sea* by Jules Verne**

**All students going into Honors English I are required to read an additional one of the four books (2 total) and complete a chapter summary for each of chapter of the book.**
