

2022 Summer Reading List- Entering ENC1101

The purpose of the Eagle's View Academy summer reading program is to encourage students to read and appreciate classic and contemporary literary works. Please note that the requirements for titles and number of books vary from grade to grade and class to class. All the books are available in limited quantities from the Jacksonville Public Library and local bookstores. Online retailers offer the cheapest availability, but the order should be placed soon to allow time for students to read.

All students going into ENC1101 must read *The Revolution* by Ron Paul.
